

Gold (X-cerpt)

Prince

There's a mountain, and it's mighty high
You cannot see the top, unless you fly
And there's a molehill of proven ground
There ain't no where to go if you hang around

Everybody wants to sell what's already been sold
Everybody wants to tell what's already been told
What's the use of money if you ain't gonna break the mold?
Even at the center of fire, there is cold
All that glitters ain't gold
No, no
All that glitters ain't gold (Hey, alright)
All that glitters
All that glitters
All that glitters
Ain't gold

Na na na na na na na (Gold)
Na na na na na na na (Gold)
Na na na na na na na (Gold)
Na na na na na na na (Gold)
Gold, gold, gold
All that glitters ain't gold, gold, gold
All that glitters ain't gold, gold, gold (Na na na na na na na)
All that glitters ain't gold, gold, gold (Na na na na na na na)
Na na na na na na na
Na na na na na na na
Na na na na na na na
