

# I Need A Man

Prince

Whoa-oh-oooh

Whoa-oh-oooh

People say you got big money, tell me, is it true?  
They tell me that they'll wait in line, just to get a date with you  
'Bout how you gave a hundred dollars to a skid-row bum  
Well let me tell you something, baby, if you think I'm dumb

If money's all you got, I don't want it  
If you can't me hot, I don't need you 'round  
If you can't turn me on, I don't need it  
I need a lover that's strong, I don't got time to fool around

I need a man  
I need a real man  
I need a man  
I need a M-A-N, real man

They say you got a fancy car, a real Mercedes-Benz  
They tell me that Springsteen is one of your best friends  
Money don't make no man, sucker, get up off that funk  
Let me tell you one more in case you're drunk

If money's all you got, I don't want it, oh  
If you can't me hot, I don't need you 'round  
If you can't turn me on, I don't need it, no  
I need a lover that is strong, I ain't got time to fool around

I need a man  
I need a real man  
Think I don't?  
I need a man  
I need a M-A-N, real man, whew, yeah

Give it to me  
Give it  
Is it alright if I play this thing?  
Get out my way now

The only way to get me hot  
I need a lover with a lot  
A little money don't hurt  
But I'd rather have a body that works

If money's all you got, I don't want it, mmm  
If you can't me hot, I don't need you around  
If you can't turn me on, I don't need it, no  
I need a lover that is strong, ain't got time to fool around

I need a man, oh  
I need a real man  
Think I don't?  
I need a man, yeah  
I need a M-A-N, real man  
I need a M-A-N, real man  
Say it again  
M-A-N, real man

One more time  
M-A-N

The only way to get me hot  
I need a lover with a lot  
A little money don't hurt  
But I'd rather have a body that works

Work  
Work  
Hold on  
Give it to me!  
Ow!  
Give it to me!  
Work!  
Skip the change, keep grooving  
Ow  
Work  
Uh  
Need a man, yeah  
M-A-N, real man  
Ow, give it to me
