

# No Call U

Prince

Girl, I'm goin' crazy, I'm lonely and I need your kiss  
My body wants to call you but my ego says I got to resist  
Come and stop it if you want to, but I ain't playin' second to none  
You got to put your arms around me and tell me I'm the only one

No call you, you call me (Ooh wee)  
If love is true, I will see  
Come on, mama  
No call you, you call me  
If love is true, I will see

No call you, you call me  
If love is true, I will see  
No call you, you call me  
If love is true, I... I... I will see  
Yeah! (No call you)

No call you, you call me  
If love is true, I will see  
No call you, you call me  
If love is true, I...  
Alright  
Yeah  
No call you, you call me

Mama, I know you want to  
But I won't call you, you will have to call me  
Ooh wee, yeah  
You... you call me  
I called U in the summer  
Whenever I'd call your ass up on the phone  
(No call you, you call me)  
Yeah  
Yeah, ooh!
