# Poom Poom

**Prince**

What am I gonna do?!

PoomPoom PoomPoom PoomPoom PoomPoom PoomPoom
PoomPoom Poom (4x)

4:57 with U on the mind
I'm cravin' U so much - shit, I crave U all the time
Sweet chemistry we got
My blood's runnin' so hot
Every time I think about the PoomPoom

PoomPoom
I can't stop thinkin' about U (PoomPoom)
Every day and night, girl (PoomPoom)
PoomPoom
I can't stop thinkin' about U (PoomPoom)
(PoomPoom)

4:58 and I'm hard straight
Licorice and goldenseal is all I ate
If U were here I wouldn't masturbate
Wishin' I was kin 2 your PoomPoom

Kin 2 your PoomPoom
I can't stop thinkin' about your Poom (PoomPoom)
Every day and night (PoomPoom)
Yeah, hey, hey (PoomPoom)
PoomPoom, yeah (PoomPoom)

Hey lil' shorty, what yo name is?
Catchin' all this wreck in the music biz
How'd U get that body my crew be mackin'?
How'd U get dem eyes? Dem all yo lashes?
Honey, U number 2 on my chart
Before U get 2 one, U got 2 audition:
U got 2 audition 4 the part (Boom)
Now what's yo doctor's name? (PoomPoom)

U know what I'm talkin' about (PoomPoom)
Let me see yo papers (PoomPoom)
PoomPoom (PoomPoom)
Yeah, U alright, U alright
Let me take this outta my mouth (Poom)

4:59, huh, could U be so kind
2 tick a little faster so I could, so I could, so I could find (Tick-tock (4x))
A better way 2 spend this precious, this precious time
Than occupying my mind with the PoomPoom

Thinkin' about your PoomPoom
Oh no, can't stop thinkin' about U (PoomPoom)
(Hold it right there, shorty)
Every day and night, girl (PoomPoom)
(Don't U move now - what yo name is?)
What am I gonna do? (PoomPoom)
(What yo name is?)

What am I gonna do? (U lookin' good 2 me)
Yeah! (PoomPoom)
(Catchin' all this wreck)
Yeah, what am I gonna do? (PoomPoom)
(U little ass)
I can't stop, I can't stop, I can't stop thinkin' about your
PoomPoom (PoomPoom)
(Is that all your hair, girl? U know U look good)
Ooh, ooh! (PoomPoom)
(Gimme yo name, what yo name is?) (PoomPoom)
(Well then fuck U then)

(PoomPoom) (8x)

PoomPoom PoomPoom PoomPoom PoomPoom PoomPoom
PoomPoom Poom (4x)
