

The Ball

Prince

What it ain't y'all?
Welcome to the Crystal Ball
Got any notion about the way things are?
Give 'em up!, come on y'all
(Ball)
Ooh wee!
All pound on the two y'all
Shake the weakest peach
(Get off and party, y'all)
If you got a weak heart, split now (Ball)
We got to be funky
Everybody, say it
(Ball)
This is your Crystal Ball
(Get up and party) (Yeah)
One time, say it
(Ball)
(Come on, get up and get down, yeah)

Check it out if you want to
Listen to a brand new sound
Peachy beat and harmony
Shake your body down
No time for attitudes
No, we don't wanna fight
All we wanna do is peachy stuff
And have some fun tonight, people

Ouch! (Come on)
Come on, ball (Party)
(Ball) Yeah (Get down)
Come on, come on, yeah (Ball)

Jam in the three, y'all
Ain't no couples allowed
Unless you wanna do it right, mama
And get married like a bull and cow
No time for attitudes
I said we don't wanna fight
All I wanna do is get pumped, mama
And have some fun tonight, people
Ball, it's a party
Everybody get loose
Ball, shake your body
Just like a goose, goosey
Ooh, ah
Ooh, wee

Say it y'all, come on
(Ooh, wee)
(Yeah, come on, get up)
(Join the party, get up, get up, yeah)
What it ain't, y'all?
Welcome to the Crystal Ball
You got any notions about the way things are?
Give 'em up and come on, y'all, oh
Any peaches in the house?

Sing with me, y'all, come on
Woah
Too funky, say it again
Woah
Yeah ooh
Woo

This is your crystal ball
All for fun, fun for all
Ow, ow
Crystal ball
Alright, everybody on the one, y'all
I want you to say, "Ball"
Say it like you mean it, come on, say it
Woo, yeah (Ball)
Say it y'all, come on (Ball)
Baby? (Ball) Baby, do you wanna? (Ball)
Yes
This is your Crystal Ball (Ball)
All for fun and fun for all, woo
(Ball) Keep singing, y'all
Keep singing, y'all (Ball)
Come on (Ball)
What you wanna do? (Ball)
What you wanna do? (Ball)
Yes, oh (Ball)
Don't try and stop me (Ball)
Hit me, girl (Ball)
Welcome to the crystal ball
