

Train

Prince

I wanna talk to you 'bout this love affair
Is it really true that you don't care?
Seems like every day you grow farther away
Tell me what can I say to make you stay

'Cause if you really don't love me anymore
I just don't know what to say

There's a train that's leavin' in the morning
That will take you straight to Santa Fe
If you feel this thing we got just can't go on
Then I won't stand in your way
I won't stand in your way
I won't stand in your way, no, no

I'm so in love with you, you're all I wanna be
Whenever you go away, babe, you take a part of me, yes you do
A man's gotta do what he gotta do
But remember, babe, wherever you go, I'm with you
Cuz I need you

If you really don't love me anymore
I just don't know what to say

There's a train that's leavin' in the mornin'
That will take you straight to Santa Fe
If you feel this thing we got just can't go on
I won't stand in your way
I won't stand in your way
I won't stand in your way
