

# Why the Butterflies

Prince

Mama, mama  
What's this strange, strange  
Mama  
Mama, what's this strange, strange  
Mama  
Why the butterflies?

Mama, mama what's this shaking in me?  
Mama, what's this crazy swirling around?  
Mama, why the butterflies?

Mama, mama  
Open visions in my mind, Mama  
Mama  
Mama, what's this  
Mama, what's this  
Mama, mama, mama  
Why the butterflies?  
Why the butterflies?

Oh, oh oh

Mama, where is father?  
Mama, butterflies  
Mama, where is father?  
Mama, where  
Mama, where  
Mama, where  
Why butterflies?

Mama  
Where am I?  
What's this strange, strange  
Why the butterflies?
