

## Side of The Road

Princess Chelsea

You wait in the car on the side of the road  
Lemme go and stand awhile, I wanna know you're there but I wann  
a be alone  
If only for a minute or two  
I wanna see what it feels like to be without you  
I wanna know the touch of my own skin  
Against the sun, against the wind

I walked out in a field, the grass was high, it brushed against  
my legs  
I just stood and looked out at the open space and a farmhouse o  
ut a ways  
And I wondered about the people who lived in it  
And I wondered if they were happy and content  
Were there children and a man and a wife?  
Did she love him and take her hair down at night?

If I stray away too far from you, don't go and try to find me  
It doesn't mean I don't love you, it doesn't mean I won't come  
back and  
Stay beside you  
It only means I need a little time  
To follow that unbroken line  
To a place where the wild things grow  
To a place where I used to always go

La la la, la la la, la la la, la la la  
La la la la, la la la, la la la, la la la  
If only for a minute or two  
I wanna see what it feels like to be without you  
I wanna know the touch of my own skin  
Against the sun, against the wind
