

The Forest

Princess Chelsea

I, I, I feel so funny
And I, I, don't know what's going on
If I try to make it quiet
If I try, you're just getting strong

So I run through the forest
And I run through the hills
Yeah, I run through the forest
And I run till I feel good

I, I, hear them talking about me
And I, I don't give a damn 'cause they don't care anyway
If I try to make it quiet
If I try, you just get strong

So I run through the forest
And I run through the hills
Yeah, I run through the forest
And I run till I feel good

Yeah, I run through the forest
And I run through the hills
Yeah, I run through the forest
And I run till I feel good

Yeah, I speed through the forest
While the rain, it beats and folds
Yeah, I speed through the forest
And I run straight to

Yeah, I run through the forest
And I run till I feel good
