Princess Nokia

I've been having these weird thoughts lately  
Like...is any of this for real?  
Or not?

Insects falling on my window  
I'm unjagged too  
Fishnet stockings ripped real thin  
Dirty sneakers too  
Graveyard girl, I'm your leader  
Walk around with me  
See the weirdo things I'm into  
Things that's make believe

The anomaly  
21st century  
All the space between  
The streets are mean

People got their agendas  
That's OK with me  
We're all hooked up to the programs  
But I will be set free

I've got space and time on my mind  
I've got bigger things to do  
I've got voices in my head  
They're exploding with the truth

The anomaly  
Oh, oh, oh  
The anomaly  
Oh, oh, oh  
The anomaly  
Anomaly, anomaly...  
Oh, oh, oh  
Anomaly, anomaly...  
Oh, oh, oh

Listen, I don't get political  
Government reform, that'll be a miracle  
Bloody hands of the government  
I think it's time that they get a punishment  
Walkin round like zombies  
Stitches in their face  
Walkin round with ya head cut off  
But I know my place  
See, I know your secrets  
Which ones will I tell  
Tried to hold me in a cage  
I'm bound to expel

I've got space and time on my mind  
I've got bigger things to do  
I've got voices in my head  
They're exploding with the truth  
Try to hold me in a cage

The anomaly  
Oh, oh, oh  
The anomaly  
Oh, oh, oh  
The anomaly  
Anomaly, anomaly...  
Oh, oh, oh  
Anomaly, anomaly...  
Oh, oh, oh
