Princess Nokia

I'm hood as fuck in a bonnet outside
Ain't nobody got a car, ain't nobody fuckin' drive
So we all fuckin' fork, ain't nobody gotta lie
Ain't nobody tryna flex and ain't nobody tryna hide
Now we all from the hood and we all gonna die
So it just can't be fun and we just gettin' life
Couple neighbours in the front, couple neighbours to the side
Now the cops is on [?] but we still getting' high
Yeah we still blowin' smoke
We just fuck with weed we don't fuck with the coke
Couple cups of henney cause you know we all broke
It's a celebration and we happier than most
