

Diva

Princess Nokia

I feel like Beyonce
I feel like Shakira
Lemonade, I'm juicy
Hips don't lie, Selena
Britney, Christina
Rest in Peace, Aaliyah
I feel like a goddess
I feel like a diva

I'm a popstar, rockstar, bad bitch, go on, call me savage
I'm a top dog, win 'em all, call the shots, on God, do damage, yuh
Iconic, iconic, I got it, I flaunt it, yeah, that's me
Billboard, I'm charting, top dollar, song credit, it's destiny

Yo, how the hell I get on?
I was feeling like a queen takin' hits from a bong
I done went from underground, go ahead of us all
Now I'm on the mainstream doing radio songs

And I look to all that queens that inspire me
Feeling like a higher me, feeling like Aaliyah 1993
I does this entirely and I know they proud of me
Channeling their energy, yeah

I feel like Beyonce
I feel like Shakira
Lemonade, I'm juicy
Hips don't lie, Selena
Britney, Christina
Rest in Peace, Aaliyah
I feel like a goddess
I feel like a diva

I feel like a goddess
I feel like a diva
I feel like a goddess
I feel like a diva

Yo, can't stay in one place
I was meant to be a star like a rocket in space
I done went from internet to ahead of the race
Feeling like I'm Ricky Bobby but I'm brown in the face
I may be the new girl but I'll never replace
All the women here before me making excellent taste
I just learn from these women, do whatever it takes
I'm the daughter of the witches that they burned at the stake

And I look to all that queens that inspire me
Feeling like a higher me, feeling like Aaliyah 1993
I does this entirely and I know they proud of me
Channeling their energy, yeah

I feel like Beyonce
I feel like Shakira (Shakira)
Lemonade, I'm juicy
Hips don't lie, Selena (Selena)
Britney, Christina

Rest In Peace, Aaliyah
I feel like a goddess
I feel like a diva

I feel like a goddess
I feel like a diva
I feel like a goddess
I feel like a diva

I don't compare to nobody, I don't compete
We all just babies of the past, respect the queens
Ain't about the money, ain't about the fame
I pray that one day in the future, they gon' remember my name

Tell me it can't be done, I'ma run it
Ain't no mistake, I keep it coming
I'll just keep doing my thing, I'm making my ways how I can
If they paved the way
I'ma make a way
I'ma make a way

I feel like Beyonce
I feel like Shakira
Lemonade, I'm juicy
Hips don't lie, Selena
Britney, Christina
Rest in Peace, Aaliyah
I feel like a goddess
I feel like a diva

I feel like a goddess
I feel like a diva
I feel like a goddess
