Princess Nokia

Ambitions and accolades, what did you go do today?  
How did you go spend your day?  
I work hard, I'm getting paid  
My schedule was full today, I'm 'bout to go all the way  
I set off and hit the stage, ready to go do my thing

Well baby, my day was good  
I worked hard and knocked on wood  
I skipped meals and got no sleep  
But this was the life for me

You working, Ms. Destiny [x4]

Cook, cook, you know I like to cook (yeah!)  
Cheffin' in that kitchen, I don't need no cookbook [x4]

Go 'head, bitch  
Go do ya thing  
You perfect in every way  
You move past when others stay  
You make moves and play the game  
Ms. D, I'm already queen  
I put that on everything  
My mama she raised me good  
I'm chic but I'm always hood

My manners impeccable  
I'm always respectable  
There's eloquence in my speech  
I practice but never preach

My name is Ms. Destiny  
I go hard in everything  
I bring out the best in me  
And do what is best for me  
I excel, I'm excellent  
My melanin's heaven sent  
Got all of my haters bent  
They gag, and I'm still content

Cook, cook, you know I like to cook  
Cheffin' in that kitchen, I don't need no cookbook (yeah!) [x4]
