

# Green Eggs & Ham

Princess Nokia

Green eggs & ham  
Sam I am  
I'm the man  
With the plan  
Toast and jam  
Sunny D  
You and me  
Socks on feet

Love my inner child  
Kool aid smile  
I been like this  
For a while  
Going into town  
Gonna find a crowd  
Right by the kids  
In the park with the style  
Swing till it's dark  
Hit the block  
Run from cops  
Don't get knocked  
By these ops  
Fuck these cops  
Fuck these cops  
Fuck these cops

Looking for the fun  
Can you blame me?  
Like to make jokes  
But they think that I'm crazy  
I know that I'm perfect the way that god made me  
And I thank my parents for the life they gave me  
Have you told your parents that you loved them lately  
I look like my mama in the 1980's  
If I been bad well please forgive me  
I remember when my granny use to hit me  
Public school and 2 Thanksgivings  
Purple corduroys with the matching ribbons  
Lil puffy jacket and the t-shirt gilded

Wake up in the morning  
Look into the fridge  
Grab some eggs out  
Breakfast it is  
I'm still a kid  
But kids are fun  
Nice cup of OJ  
Orange and sun  
Frying pan in my hand  
Green eggs and some ham  
Yes I'm Sam I am  
Yes I'm Sam I am
