Princess Nokia

I'm not like those baddies that you see on Instagram (Preach it)
)

I'm not like those girls that be on Kanye 'Workout Plan'

I'm a little artsy and I know I'm kinda smart (Church it)

I may not have clout, but I've got a lot of heart (Say what)

I don't do no flexing, I don't do it for the 'Gram

I don't need approval, not from you or any man

I don't need attention, I don't care if I look broke

Inside I am beautiful, and that is all I know (Preach it)

Even when I'm confident, I'm kind of insecure

Use a lot of filters when I'm not feeling for sure (Church it)

Compare myself to other girls, the pressure got me stressed

I hate social media, I wish it all would end (Say what)

I'm not like those other girls; in fact, I'm fucking worse

I like being different, wouldn't change it for the world (Go 'head)

Everything I'm not makes me everything I am

Inside I am beautiful, and this is who I am (On God)
