

I Am Free

Princess Nokia

No ego, no ego, no ego
No people, no people, no people
Let me go, let me go, let me go
And I am free
And I am free
And I am free
And I am free
(No ego, no ego, no ego)

Let me tell you about me
Me myself and I
Kicking back with the homies
All we do is get high

Ain't nobody here phony
Weirdo shit don't fly
Don't you talk down on me
You could get punched in your eye

I am not here for my image
I'm not here to sell you gimmicks
Just want you to hear my lyrics
Feel my vibe and feel my spirit

In my heart is something different
I've been changing, it's apparent
I am focused on my healing
Sometimes I feel like I'm screaming

I've got angels, I've got demons
And I keep them so well hidden
I've been praying to get stronger
Go the distance, take me longer

I'm talking to my god, yes, it's righteous
And everything is fine bless, is fine bless
I blow the trees with no stress, I focus
I'm getting back to oldest, the oldest

No ego, no ego, no ego
No people, no people, no people
Let me go, let me go, let me go
And I am free
And I am free
And I am free
And I am free
(No ego, no ego, no ego)

I've been letting go
I've been blowing off some smoke
I've been climbing up the stairwell heaven
Coming back from hell

Like the Ring, Girl from the Well
I was put under a spell
I had lost myself a little
Had my heart locked in a cell

Now I open up my soul
Give you heart and teeth and bones
And my heart is all exposed
From my mistakes and my woes

Woman, I am strong
Woman, I do belong
Woman, I take the hate
And, yes, I make into a song

How many times I fall
How many do I get up
You think opinions matter
But I just don't give a fuck

Crazier than the weather
Unwavering like the sea
Impulsive like a fire
But my roots was made from trees

The blessing from He
Straight from God
I pray for enemies
But please don't think that I forgot

No ego, no ego, no ego
No people, no people, no people
Let me go, let me go, let me go
And I am free
And I am free
And I am free
And I am free
(No ego, no ego, no ego)
