

Wash & Sets

Princess Nokia

Wash and set
Pay the rent
Wonder where all my money's spent
College debt
I am stressed
Tell me who gonna pay this next
Tell me who gonna pay these debts
Tell me who gonna get these checks

I miss being a kid

Duck duck goose
Tie my shoes
Reds and blues
Picture room
Coloring books
Bells and hooks
Fortunes tellers
Truth and darers

Cafeteria and the school yard
Sitting on the rug with the guitar
Scratch 'n' sniff, scratch 'n' sniff
Ripping off a bandage

Growing up sucks
I don't wanna do it
I'ma runaway
Okay, well, screw it
Make it one day
With my music
I ain't been in school
They say I'm truant

Tax returns
Need to learn this
Growing up fucking sucks
Shit!
Tax returns
Need to learn this
Growing up fucking sucks
Shit!

Got a blunt in my hand
Got some good in my heart
Got the stars in my eyes
Got some plans for this art
Got some things I wanna say
And some things I hold back
Got some tears I done cried
From the pain that I had
I been faking since young
I been holding it in
God, stroke me on the chin
Tell me I'm gonna win

I miss being a kid
