

# Wavy

Princess Nokia

Splish splash  
Double bubble bath  
Riff raff  
Double C's on the dash

Big bands  
Got the P's and the cash  
New dance  
Baby, lead me by the hand

Drip drop  
Wavy like a mermaid  
Take a sip now  
'Cause these bitches acting thirsty

I'm special  
You ain't on my level  
Looking back now  
We could never be together

Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy

I'm boasy  
Yeah, I'm the shit  
I'm a pimp and a hoe  
I could take your bitch

So what I got an attitude?  
Now fuck what you think!  
That's a neck roll  
And a hair toss, bitch, I'm stank

I'm a whole mood  
Yeah, I'm a vibe  
I'm a 10, babe  
Right there you a 5

And what's my type now?  
Don't you ask me  
I'm expensive  
Bitch, I'm fancy

Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy

You see, I got that tsunami  
I'm watching Toonami  
And I'm eating wasabi  
With a side of umami

It's a lot of anime  
Hayao Miyazaki  
Papi looking Dominican  
Man, he got the salami

Now he calling me mami  
And he giving me toppey  
I'm surpassing your ass  
And I know that you saw me

Climbing up on the ladder  
See my ass getting fatter  
Getting bigger and better  
Go tell your friends that you had her

Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy  
Hey, bitch, I'm wavy  
Bitch, I'm wavy
