

I'm a Firecracker

Princess Superstar

Firecracker, I'm a firecracker
Firecracker, I'm a firecracker
I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
Jump up, jump up, I'm about to blow

Got - got -got a short fuse
I'm a troublemaker
N-n-nice bubble butt, bubblemaker
If you hot I'ma see you at the club later
Space invader, track dominator
Buzz on me vibrator
Eccentric chick, quick, kill your vibe
Kendrick Lamar, bitch
Smash your guitar shit, Hendrix
Tantric acrobatics on a mandick, bad bitch
But lickety split, make my man a sandwich

Shooting off like a firework
Yeah, I'm that shit, I'm a firework
Gotta work, explode yourself, get high
One, two, three, Fourth of July

I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I-I-I'm about to blow (Jump, jump, jump, jump)

I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I-I-I'm about to blow (Jump, jump, jump!)

I go hard, you stay hard
So large, in charge
Hey Em, I am the rap God or is that
Goddess, be honest, great artist and modest
Blam! the hottest, bring light to the darkness
Spectacular, bite the beat, Dracula, stamina
Give the most head per capita
Just said head twice, speak Latin
Motherfucker, vernacular
And I got the best vaagina, make you happier
I-I-I'm a saltine, not a cracker
'Cause - 'cause I'm salty like a pirate rapper (Arghhh!)
Dancing queen like an ABBA
Magic firecracker, abracadabra
Who run the trap, ah?

Shooting off like a firework
Yeah, I'm that shit, I'm a firework
Gotta work, explode yourself, get high
One, two, three, Fourth of July

I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!

I'm a firecracker, I'm a, I'm a firecracker!
I-I-I'm about to blow (Jump, jump, jump, jump)

I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I-I-I'm about to blow (Jump, jump, jump!)

Oh, when you're hot like me
I'm a see you later or C-U-N-T
Oh, when you're hot like me
I'm a see you later or C-U-N-T

Yo, I'm always rocking, rocking
Never gonna stop, stopping beat
Dropping, pop locking, block rocking beats
Awesome
Got a problem? Not from compton
More like mary poppins
Head bobbin, shit talking, coming and coming
And running the sky
Lighting up like the spectacle
Unforgettable
No chemicals, they mind tentacles
I'm incredible but on your level
So don't put me on a pedestal
'Cause God is the catapult
My cannonball crack like a lightning bolt

Shooting off like a firework
I don't mean Katy Perry, I'm a firework
Gotta work, explode yourself, get high
One, two, three, Fourth of July

I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I-I-I'm about to blow (Jump, jump, jump, jump)

I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I'm a firecracker, I'm a, I'm a firecracker!
I-I-I'm about to blow (Jump, jump, jump!)
