

# Xmas Swagger

Princess Superstar

Hurray! It's Christmas  
I love Christmas

I love it when it snows  
I love ho, ho, ho's  
Hot cocoa, Nat King Cole  
Nice people, golden bows  
I like parades, I like charades  
Pumpkin pie on paper plates  
Black guys and little girls in fresh done braids

I love Christmas, I love Santa  
I love you, baby, and your Christmas swagger  
I love mistletoe, kissin' you on tippytoe  
Where did all my lipstick go?  
It Christmas, yo

I love beaded sweaters  
Red and green tinfoil letters  
Cheerful sledders, being together  
Justin Bieber (What?)  
I love jingle bells, Christmas sales  
Chippendales with Santa hats on the big cock...tails

I love Christmas, I love Santa  
I love you, baby, and your Christmas swagger  
I love mistletoe, kissin' you on tippytoe  
Where did all my lipstick go?  
It Christmas, yo

High five for December 2-5  
I'm too live, every inch of my 5'5" frame  
More caboose than a toy train  
(Insane in the membrane)  
Damn, granny got game  
Aim, my good friend Keenan (I'm Keenan)  
Man's overdue, hit me back when it's D again  
Gettin' ready for the weekend  
Spendin' so much dough at Duane Reade  
Tits the season

I love Christmas, I love Santa  
I love you, baby, and your Christmas swagger  
I love mistletoe, kissin' you on tippytoe  
Where did all my lipstick go?  
It Christmas, yo

I love Christmas, I love Santa  
I love you, baby, and your Christmas swagger  
I love Christmas and I love you  
I love Christmas everything  
Except I'm mostly Jew
