## Priscilla Ahn

```
You don't call anymore
You don't look on this door
Just a picture, you out there without me
Breaks my heart into two
What am I suppose to do
When I thought you would never ever leave?
Cry baby, I am
Cry baby, I am
If I knew you would leave
Then this heart on my sleeve
Would be safe and sound inside of me
But I guess I'm the fool
And you were too cool
I can see this was never meant to be for me
Cry baby, I am
Cry baby, I am
Cry baby, I am
Cry, cry, cry
Cry baby, I am
```
