In A Closet In The Middle Of The Night

Priscilla Ahn

I had a dream last night about the rain You asked "are you scared of anything?" I cried, I cried, I cried In a closet in the middle of the night.

You had apprehension and I had shame We were just as lost as lost is a way One more, one more, one more Girl is crying In a closet on the floor

Ooh

I cried, I cried, I cried I cried, I cried, I cried I cried, I cried, I cried
