

Wedding March

Priscilla Ahn

Something new, something blue, something gold
A flower here, a flower there, throwing flowers everywhere
I want to see them everywhere
In my hair and on the moon
When I'm marching down to you

I will love you, always want you
Till the day I die, my heart never lies
I will adore you, live my life for you

Putting on my wedding dress,
I must really look my best
Paint my nails, fix my hair
Make it look like I don't care (I don't care)

I will love you, always want you
Till the day I die, my heart never lies
I will adore you, live my life for you

Now that we are man and wife
What will we do with our life?
When you say that you will do
I will say that I do too, I really do
I will do, all over you

I will love you, always want you
Till the day I die, my heart never lies
I will adore you, live my life for you
