

# I've Gotten Good

Priscilla Block

I can turn it on any night of the week, anytime I want  
And you can bet that you ain't gonna see me blink  
When your name's brought up  
If I'm breakin' down, you'd never tell  
I've almost gone and fooled myself

Damn, I've gotten good  
I'm the life of the party  
You wouldn't believe it if you saw me  
I'm lookin' damn good  
You could call it the makeup, the glow of the breakup  
Whatever I fake up  
Yeah, it sure looks like it don't hurt like it should  
Damn, I've gotten good

I can put you in the back of my brain from a barstool in the dark  
Ain't it funny how you don't feel a thing with some drinks poured on your heart  
That's how it is, that's how it goes  
And that's one hell of a show

Damn, I've gotten good  
I'm the life of the party  
You wouldn't believe it if you saw me  
I'm lookin' damn good  
You could call it the makeup, the glow of the breakup  
Whatever I fake up  
Yeah, it sure looks like it don't hurt like it should  
Damn, I've gotten good

Sayin' it ain't bad, it ain't that sad  
But I know me and I know that  
Damn, I've gotten good  
Damn, I've gotten good

Damn, I've gotten good  
I'm the life of the party  
You wouldn't believe it if you saw me  
I'm lookin' damn good  
You could call it the makeup, the glow of the breakup  
Whatever I fake up  
Yeah, it sure looks like it don't hurt like it should  
Damn, I've gotten good

Damn, I've gotten good
