Like A Boy

Priscilla Block

Ain't it just like you to roll your eyes
Tune me out, turn on the TV
When I'm sittin' on the couch, sad as hell
You blame it on me being moody
When was the last time you took the time
To hear what I had to say?
Ain't it like a boy to walk away

Ain't it just like you to throw your hands up
And put the truck in drive
Say, we'll talk about it later
But I know you better
You're trying to dodge a fight
It might cross your mind, but you won't mind
You just go about your day
Ain't it like a boy to walk away

Ain't it just like you
To give up way too soon
It's just what you do
You take off without a damn thing to say
Ain't it like a boy to walk away

Ain't it just like you to buy something new
Instead of fixing what you had
Like that '88 Chevrolet passed down from your granddad
If you were a man, you'd learn from that man
You'd live your life the same
Ain't it like a boy to walk away

Ain't it just like you
To give up way too soon
It's just what you do
You take off without a damn thing to say
Ain't it like a boy to walk away

Well you packed your things and turned the key
It ain't all that surprising
As you drive away in a cloud of dust
I see my silver lining
Boy, one day, I'll meet a man and thank God you didn't stay
'Cause just like a boy, you walked away

Ain't it just like you
To give up way too soon
It's just what you do
You take off without a damn thing to say
Ain't it like a boy to walk away
Ain't it like a boy to walk away
