

# My Bar

Priscilla Block

I come here every Wednesday  
I love the band  
Always sit in the same place  
Cold beer in my hand  
They know me by name  
And my go-to drink  
Yeah, I come here every Wednesday  
Out of the corner of my eye  
I see the door guy checkin' your ID

Don't come walkin' in like you own it, you own it  
I hate to break it to you, you don't, yeah, you don't  
You think you're such a star but here's the funny part  
No one even knows who you are  
This is my bar  
Yeah, this is my bar

Been comin' here for a long time  
Before I met you  
Don't act surprised when you see me  
Like you didn't have a clue  
That I'd be here tonight  
Wearing those jeans you like  
Been coming here for a long time

Don't come walkin' in like you own it, you own it  
I hate to break it to you, you don't, yeah, you don't  
You think you're such a star but here's the funny part  
No one even knows who you are  
This is my bar  
Yeah, this is my bar  
Yeah

Don't even buy that round  
Just stop before you start  
Go to your side of town  
It really ain't that far

This is my bar  
Yeah, this is my bar  
Yeah

Don't come walkin' in like you own it, you own it  
I hate to break it to you, you don't, yeah, you don't  
You think you're such a star but here's the funny part  
No one even knows who you are  
This is my bar  
Yeah, this is my bar

Yeah, this is my bar  
Yeah, this is my bar

I come here every Wednesday  
I love the band
