Ohhh Ohhh yea yea yeaaaa yeaaaa uh uh

Last night i waited for u
Said u were comin home
I believed u, I believed u
Woke up to empty arms
And an even more broken heart
Where were u? Where were u?

And the tear drop on my pillows
Drop, drop
Off my cheeks
And the wet spot on your shoulder-blade were sharp enough to cause pain
Its 4:44 in the morning
And you been gone all night long, all night long

ohh ohh yea ohh yea

Hate that im sayin this
Cause im talkin about u baby i am, yea i am
Gotta call u out this time cause u said your heart is mine
Where is it? Who'd u give it to? Who'd u give it to?

And the tear drop on my pillows
Drop, drop
Off my cheeks
And the wet spot on your shoulder-blade were sharp enough to cause pain
Its 4:44 in the morning
And you been gone all night long, all night long

Its 4:44 in the morning
And you been gone all night long, all night long

all night long, all night long
all night long, all night long
all night long, all night long
all night long, all night long
Its 4:44 in the morning
And you been gone all night long, all night long
Its 4:44 in the morning
And you been gone all night long, all night long
