

# Dollhouse

Priscilla Renea

I'm just a girl, you're just a boy  
This is my heart, it's not a toy  
So what's with you playin' with my mind?  
We used to be cool, this used to be love  
Now it's become somethin' like a job  
Like it or not, maybe things were changin' right before our eyes

I tried to be a picture-perfect girl  
But you were in your own fantasy world  
Tryin' to control me like some kind of Barbie  
But that just ain't me

'Cause I ain't a doll, this ain't a dollhouse  
You're way too old to be puttin' me down like this  
And playin' around like this  
I ain't a doll, this ain't a dollhouse  
No, I could never be stuck livin' life like this  
Behind these four walls  
'Cause I ain't a doll

You call the shots, right down to my shoes  
I liked what you liked 'cause you told me to  
And I don't think that you could even tell  
I fell out of love, but it never showed  
I gave up on us so long ago  
But you'll never know  
Baby, don't pretend like you know me so well

I tried to be a picture-perfect girl  
But you were in your own fantasy world  
Tryin' to control me like some kind of Barbie  
But that just ain't me

I ain't a doll, this ain't a dollhouse  
You're way too old to be puttin' me down like this  
And playin' around like this  
I ain't a doll, this ain't a dollhouse  
No, I could never be stuck livin' life like this  
Behind these four walls  
'Cause I ain't a doll

I'll never be made of plastic  
So glad that my heart's elastic  
No matter what you do  
I'll bounce back off of you  
Cut me but I'm not bleeding

I tried to be a picture-perfect girl  
But you were in your own fantasy world  
Tryin' to control me like some kind of Barbie  
But that just ain't me

I ain't a doll, this ain't a dollhouse  
You're way too old to be puttin' me down like this  
And playin' around like this  
I ain't a doll, this ain't a dollhouse  
No I could never be stuck livin' life like this

Behind these four walls  
'Cause I ain't a doll

And I come with imperfections  
Epitome of perfection  
If you can't understand  
Lovin' the way I am  
Then you're no good for me  
So glad I kept my receipt
