

In Case

Priscilla Renea

Ohhh
Pictures in my pocket
Are faded from the washer
I can barely just make out your face
Food you saved for later
In my refrigerator
It's been too long since later never came

I know
One day eventually
Yeah I know
One day I'll have to let it all go
But I keep it just in case
Yeah I keep it just in case

In case you don't find what you're looking for
In case you're missing what you had before
In case you change your mind, I'll be waiting here
In case you just want to come home

Strong enough to leave you
But weak enough to need you
Cared enough to let you walk away
I took that dirty jacket
From the trash right where you left it
Cause I couldn't stand to see it go to waste

I know
One day eventually
Yeah I know
One day I'll have to let it all go
But I keep it just in case
Yeah I keep it just in case

In case you don't find what you're looking for
In case you're missing what you had before
In case you change your mind, I'll be waiting here
In case you just want to come home
In case you're looking in that mirror one day
And miss my arms, how they wrapped around your waist
I say that you can love me again
Even if it isn't the case

Ohw
You don't find what you're looking for
Oohh
You're missing my loooove
You don't find what you're looking for
In case you're missing what you had before
In case you change your mind, I'll be waiting
In case you just want to come home
In case
Yeahhh
Ohww ohhww
