

# Pitch Black

Priscilla Renea

(Verse)

Everybody's got their dark  
Everybody's got their dirt  
If you let me in your heart  
I can care the rose if it hurts

(Pre-Chorus)

I don't know what I'm lookin for anymore  
Thought I loved but I never had you before  
Even though you've got teardrops on your face  
I just can't look away

(Chorus)

Boy you shine so bright  
On a pitch black sky  
Can you save my life?  
It's getting dark outside  
Got lost at the top of the highest mountain  
Searching for the light and I think I found it  
Yea you shine so bright  
On a pitch black sky

(Verse)

Baby let me see your scars  
Baby let me help you heal  
Open up against my heart  
I just like the way they feel

(Pre-Chorus)

I don't know what I'm lookin for anymore  
Thought I loved but I never had you before  
Even though you've got hard time in your past  
Boy I ain't turning back, no

(Chorus)

Boy you shine so bright  
On a pitch black sky  
Can you save my life?  
It's getting dark outside  
Got lost at the top of the highest mountain  
Searching for the light and I think I found it  
Yea you shine so bright  
On a pitch black sky

(Bridge)

Pitch black, pitch black  
Open up my eyes, I was so blindsided  
Pitch black, pitch black  
Always been looking for you

(Chorus)

Boy you shine so bright  
On a pitch black sky  
Can you save my life?  
It's getting dark outside  
Got lost at the top of the highest mountain  
Searching for the light and I think I found it

Yea you shine so bright  
On a pitch black sky
