Freewill

Prism

Leaders, preachers they try to discipline my soul
Parents, teachers they're making sure I do as I'm told
Everybody's saying what I can and cannot
My life is my own, the one thing I got

Freewill
Mine to decide
Freewill
The choices are mine
Freewill
I do what I want and I feel alright

Naughty, nasty you know you shouldn't do that

Hold on, slow down you're tryin' to tell me where it's at
It's all up to you no one else is to blame
You make your own odds and you're ahead of the game

Freewill
My turn to decide
Freewill
The choices are mine
Freewill
I do what I want and I feel alright
