

I Don't Want To Want You Anymore

Prism

If there's somewhere else you'd rather be
I wish you'd go there now
If there's someone else, don't stay with me
Cause I don't wanna doubt the love that you give
Make it for real or make it goodbye

I don't want to want you anymore
'Cause I've been hurt
Too many times before
I don't want to want you anymore
If you don't want me

Is there any reason why you changed
It gets me so confused
I don't know why you should find it strange
That I want you to choose between him and me
How can I lose what I've already lost

I don't want to want you anymore
'Cause I've been hurt
Too many times before
I don't want to want you anymore
If you don't want me

Well then let me know
Don't keep me in the dark
We've been lovers
We've been friends
But if it's gone too far

I don't want to want you
I don't want to want you, baby
Oh, I don't want to want you
I don't want to want you, girl
I don't want to want you
I don't want to want you, baby ahh
I don't want to want you
I don't want to want you, girl

I don't want to want you anymore
'Cause I've been hurt
Too many times before
I don't want to want you anymore
If you don't want me

(I don't want to want you)
(I don't want to want you, baby)
(I don't want to want you)
(I don't want to want you, girl)
I know you don't want me
(I don't want to want you)
(I don't want to want you, girl)
Baby, don't you know I want you, I want you
(I don't want to want you)
(I don't want to want you, girl)
(I don't want to want you)
(I don't want to want you, baby)
