

Jealousy

Prism

I can't complain about the way we tried
So maybe it's the time to say goodbye
Not gonna look around, I'm just gonna look away
Don't put the reasons back in my head
Said you loved me then you left me for dead
Not gonna look at you, I'm just gonna look away

It's that jealousy, comin' over me
It's that jealousy, breakin' my heart
Oh jealousy, takin' control over me
But you just gotta know, that I can't let go
And it's time that you knew, I can't stop lovin' you

You say that I'm a sentimental fool
But all I tried to do was try to go with you
Not gonna stick around, I ain't gonna stick it out
Now listen, it's been a battle since you broke my heart
I'll tell you baby, it's been comin' down hard
Not gonna look around, I'm just gonna look away

It's that jealousy, comin' over me
It's that jealousy, breakin' my heart
Oh jealousy, takin' control over me
But you just gotta know, that I can't let go
And it's time that you knew, I can't stop lovin' you

Oh jealousy, comin' over me
It's that jealousy, breakin' my heart
Oh jealousy, comin' over me
It's that jealousy, breakin' my heart
Oh jealousy, jealousy
Oh jealousy, jealousy
