Watch out for bad reception  
'cause the night has a thousand eyes  
Connected to your television  
lookin' at you!

Sky high flyin' in circles  
keepin' an eye on the world  
Watching over civilization  
lookin' at you!

At the main nerve centre in Houston  
your name lights up on a screen  
Flashin' up a digital read-out  
tellin' on you!

It's a no-win situation  
they got a fix on you  
It's a silicone revolution  
turnin' on you!
