I wake up in the morning and open my eyes  
I guess I missed you so much  
Ready or not, here I come, ready or not

We hold hands and walk but  
When someone asks if we're friends, you just nod  
Stop stop stop  
No need for words, it's just you and me

You drive me crazy  
I need you right here baby  
You're stuck on my mind  
With you I'm different lately  
Woo make you make you make you mine ay

Oh ah aloha I'll go closer  
Make it make it make it love yeah  
Oh ah aloha  
And be more honest with you  
You make me something special  
Love me like you do yeah yeah  
Oh ah I'll do it  
If you want, one last today ay

Baby you know what to do  
I only think about you  
I want to hold your hand  
And go here and there, baby you know what to do

I can't take it anymore  
I'll confess to you, you already know  
Oh my, oh my, oh my  
You didn't check your text yet, please check it soon

You drive me crazy  
I need you right here baby  
You're stuck on my mind  
With you I'm different lately

Hold you close to me  
Be more honest  
If you want, if you want

It's already been a few hours  
You're doing something else  
Not even half of half of my heart  
Is reaching you

XOXO I miss you  
Stop with the excuses  
What do I do with this high feeling?  
My heart is floating, make it stop

Oh ah aloha I'll go closer  
Make it make it make it love yeah  
Oh ah aloha  
And be more honest with you  
You make me something special
