Over n over

Yeah... yeah

While I wait, without being able to tell you

I already know your heart

Because I watched over you

Now my eyes are open, I finally know

I'm always so thankful for us

And I do it all for you
Cause baby you

I still have so much to show you
When you hold my hand, when you smile at me
I trust everything

Don't you know I I I
Now I know that you're my everything
I can't lose you
Oh oh oh you are the best thing
Wherever you are, I'll wait, if you hear this song
In that place we met for the first time
Over n over again

I was such a child, when things were hard
I cried and whined
But I do it all for you
Cause baby you

I still have so much to show you
Even after time passes, even if darkness comes
I'll always be here

Don't you know I I I
Now I know that you're my everything
I can't lose you
Oh oh oh you are the best thing
Wherever you are, I'll wait, if you hear this song
In that place we met for the first time
Over n over again

Even after time passes, I won't let go
Your wishes are getting closer baby
As I look into your eyes, I'll go close to your side
Yeah you know I've been working night and day
Working night and day
It's not the end, it's the beginning for us
You protected the dreams that I always wanted

Don't you know I I I
Now I know that you're my everything
I can't lose you
Oh oh oh you are the best thing
I can't forget you, I'm waiting again
In that place we met for the first time
Over n over
