I got a crush on you, look at me

Of course, it's so obvious

Anyone can see, I'm so fine

Pretending not to know, pretending I'm not interested

I can't do that stuff

So I'll just approach you, be mine

With my hair in pigtails, I'm jumping into your heart

It'll hurt a little so be careful

Let's see, let's see, what is this?

So many gifts on my desk

I'm used to getting these confessions

You know right? This is how popular I am

I'll pick what I want to eat

So I'll pay for the meal too

I'm not your average girl

That's why you'll be more attracted to me

I might be too much but who cares?
Isn't this cute?
Just follow me baby, listen to me

Color me with seven colors like the rainbow
The color we paint together will be prettier

I want some, he says he likes me
You want some, that other guy says he likes me too
So you're lucky cuz I like you

I'm busy, 365 days
But I have a lot of time to meet you
I'm not your average girl
That's why you'll be more attracted to me

Carry your bag on one shoulder
So the other one is mine
Just follow me baby, listen to me
