Hello, I'm princess of our house
(Ayayaya) I like adventures
(Ayayaya) Hoo...
I wanna blow the balloon that is you
(Ayayaya) Pop! When it pops
What will be there?

There are guys who like me lined up
Oh why, why
But why aren't you in that line?
Oh why, why

Dazzling, my heart is crumbling
You're my super, super hero
Dazzling, my heart is crumbling
You're my super hero
Ring ring, hello?
Can you send an ambulance here?
When our eyes meet, I get dizzy

I like you, I like you, boo boo
My heart is pounding
I like you a lot, boo boo
When I look at you, my heart goes

Wee woo, wee woo, wee

Wee woo, wee woo, wee
It's dangerous
Wee woo, wee woo, wee

I'm waiting, I go crazy when I see you
My heart is going at 100km
I made up my mind, I want you
Right now, stay right where you are

There are guys who like me lined up
Oh why, why
But why aren't you in that line?
Oh why, why

Dazzling, my heart is crumbling
You're my super, super hero
Dazzling, my heart is crumbling
You're my super hero
Ring ring, hello?
Can you send an ambulance here?
When our eyes meet, I get dizzy

I like you, I like you, boo boo
My heart is pounding
I like you a lot, boo boo
When I look at you, my heart goes
Wee woo, wee woo, wee

Wee woo, wee woo, wee
It's dangerous
Wee woo, wee woo, wee

I'm rubbing the lamp baby
Casting a spell so I can have you
Sun, moon, stars, I'm asking them all
To cast a spell
Did the spell work? Let's check

I like you, I like you, boo boo
My heart is pounding
I like you a lot, boo boo
When I look at you, my heart
Spills out

Wee woo, wee woo, wee
It's dangerous
Wee woo, wee woo, wee
Wee woo, wee woo, wee
