Alive

Private Line

Save me a place in heaven
I've done my time in hell
Nothing's forgotten or forgiven
I've learned my lesson well
Laugh and the world laughs with you
Cry and you cry all alone
I've been around long enough to know
You don't know what you've got
till it's gone...
If you want me to
I could count on you
You made me feel I'm alive, I'm Alive.
Let your heart bare your soul
More I learn the less I know
You made me feel I'm alive, I'm Alive.
Don't say a word about the future
It takes care of itself
Don't say a word about the past
Let's see who will laugh last
I've seen around long enough to know
It's better believe in the devil you know
Than the one you don't
If you want me to
I could count on you
You made me feel I'm alive, I'm Alive.
Let your heart bare your soul
More I learn the less I know
You made me feel I'm alive, I'm Alive.
If you try walking in my shoes
I'm talking you might lose, Just walk away
Walk away now!
If you try walking in my shoes
I'm talking why I choose to walk awa
If you try walking in my shoes
I'm talking you might lose, Just walk away
