Snatch

Priyanka

Ka-ka-ka-ka

Had a piece of cake, lil' mix it up
Now you're turnin' and you're burnin', don't fuck it up
You're prolly thinking that this song's for you
Yeah, ey, guess what, this song's for you

Come on, do it, go for loud
Scratch a itch, be a bitch, we gon' work it out
Come into my life with' your sabotage
You see you, baby baby, you're my entourage

Eh eh, how you do, how you do
One boy, one girl, one body, do-do
Eh eh, where you gone, where you been
Did I stop your heart while you watched me win
Now clear

(Snatch that body)
When your heartbeat boom boom boom like a party
(Feelin' like a thotty)
Gonna walk-walk-walk-walk like Cardi
(Rollin' with my squaddy)
Bringin' you the shit, better get up on the party
(Snatch that body)
You alive? OK, great, let's party

Ka-ka-ka-ka
Ka-ka-ka-ka

I'm doing what I want, buying something nice
But if you a little bitch, Ima throw you on ice
You think you're all alone in the VIP
Double-dutch that rope, everybody be free

Come on, do it, go for loud
Scratch a itch, be a bitch, we gon' work it out
Stomp it like a stallion
Catch up, baby baby, 'cause we ain't done

Eh eh, how you do, how you do
One boy, one girl, one body, do-do
Eh eh, where you gone, where you been
Did I stop your heart while you watched me win
Now clear

(Snatch that body)
When your heartbeat boom boom boom like a party
(Feelin' like a thotty)
Gonna walk-walk-walk-walk like Cardi
(Rollin' with my squaddy)
Bringin' you the shit, better get up on the party
(Snatch that body)
You alive? OK, great, let's party

That's my girl, Cheryl Hole
You better tell' em...

Something that rhymes with hole
Hahahaha, something that rhymes with hole!

Priyanka, shut your mouth for a minute
You gotta take a breather, then I'll let you back in it
UK, what's up, look at me, I'm a snack
When you put me as your feature it's a number one track
Do it, I'll give it, you got just one minute
Then I gotta go 'cause they're calling me to kill it
Mediocre queen, you know she's on a roll
What's my name? That's right, it's Cheryl Hole

Give me your Essex flava!

(Snatch that body) (Snatch this body up)
When your heartbeat boom boom boom like a party
(Feelin' like a thotty) (Cheryl Hole, I love you)
Gonna walk-walk-walk-walk like Cardi
(Rollin' with my squaddy)
Bringin' you the shit, better get up on the party
(Snatch that body)
You alive? Great, OK, Cheryl, let's get out of here
Priyanka, you're my diva
