

## Flight 13

Pro Era

I ain't tryna talk shit, but um I-  
I heard you like that kinky shit, you know what I'm saying?  
It's on the d-low though, so you don't got nothing to worry about, you know  
I-I heard you like that-that foreplay  
Know what I'm saying? But I, uh...

Yo, I get a little buzz now my inbox filled up  
Honey bums, hood bums asking for beats, SHEESH  
But back to the women, God given talent  
Got a young nigga winning, relationship status change on Facebook  
And now they all mad, and now they all sad  
They calling me Kirk, she better be bad  
But like I said, temptation's a bitch and I like her  
And I'm a love her when it comes under the covers  
So my cutty buddy, I love the pillow talk but I ain't tryna miss cutty  
And all these words ain't implying that you're slutty  
Aaaaah shit, she wanna chill again  
And she can bring a friend, and she can bring a friend, and she can bring a friend  
And now I'm fucking with it  
Bill Clinton, no relations, don't fall in love with it  
And I'm a make sure that your heart don't get bigger  
And stop fronting and bust it for a young nigga  
Come bust it for a young nigga

The lusting went to touching and the touching went to  
The lusting went to touching and the touching went to  
The lusting went to touching and the touching went to  
The lusting went to touching and the touching went to  
The lusting went to touching and the touching went to  
The lusting went to touching and the touching went to  
Foreplay  
Foreplay  
Foreplay  
Foreplay  
Foreplay  
Foreplay  
Foreplay  
Foreplay  
Foreplay  
Foreplay

The touching went to something  
I'm cyber and I'm lusting  
She started fronting  
I was like, "Don't play, cause I'm busting"  
She said, "Not right now, and let's play around"  
This means we not, I'm a just give her the finger and I'm out but  
First, I gotta ask, "What the fuck is this about?"  
She said, "I been watching you and you been watching me  
But since we both here, I'm a see where this leads"  
Before you start, I like to play with my muh'fucking food before I muh'fucki  
ng eat it, muh'fucking eat it  
Now your friends left cause you taking too long  
Then you all alone  
But you gonna take all night, girl  
It feels so wrong but it's right for a girl like you

Mascara hides your massacre  
Vampire inspires your love tonight  
She love the night, I swear to God she never get tired

The lusting went to touching and the touching went to foreplay  
And it is quite amazing, but sex is what I'm aiming at  
Inspired by a little bit of this, yeah, and a little bit of that  
Just take a hint, and do the math  
Just take a hint, and do the math  
Take a hint  
A little bit of this, a little bit of that
