

Breathe

Pro

Sometimes I get so transfixed on my own view
Caught up, lost inside the things I do

I was fading, all till time connected me to you
We never know where love will lead us to

I can see clearly now the reason I'm awake somehow
It's you
I can see clearly now the reason I'm awake somehow

I was falling away, at the seams undone
Frozen to the core, it freezes so

But you were shaping everything I will become
Our bodies seem to weave and join as one

But I can see clearly now the reason I'm awake somehow
It's you
I can see clearly now the reason I'm awake somehow
I can see clearly now
I can see clearly now
I can see clearly now

For you breathe life into me
I can see clearly now
For you breathe life into me
I can see clearly now

I can see clearly now
For you breathe life into me
I can see clearly now
I can see clearly now
