## Problem

Hello how you doing  
I know you ain't heard from me in a while  
Yeah I went and got another man  
But fuck it boo I gotta be real

I just wanna fuck you again  
No a bitch can't lie I wanna fuck you again

I know I know I know you seeing somebody  
Yeah I got somebody but I can't keep lying to myself  
Daddy I wanna fuck you again  
And again  
And again  
And again  
And again

Ain't go lie I wasn't expecting this call this quick  
It's only been three months since I've been inside you  
I changed my number you changed your number  
But I knew if I wanted to I'd find you or you'll find me  
All on instagram acting like you happy  
Knowing good and God damn well you ain't  
(I want that pussy girl)  
Had to go back to your past to find your future  
Knowing that's something that you hate, to do  
So I applaud you baby I applaud your effort  
All that falling off your mouth I don't think you learned your lesson  
Saying that you don't need a nigga, that you didn't want a nigga  
You couldn't find another that's as wild a dick as me  
I remember (I remember)  
Every damn argument we had after hit  
Saying that you'll never come back again  
Even when I told you you would  
I ain't gonna lie I thought about it hold on my boo is calling  
Gotta hold on (beep)  
(Sup lil mama, I'm doing sumtin' I'm a hit you right right back hold on)  
I'm back you mad ain't you, you can't be  
You made this this way, I cheated yeah I know I know I know  
But I ain't sure this is what I need to do  
Cause I think you wanna love me again  
But I ain't tryna fucking pretend that I feel the same way

I just wanna fuck you again  
No a bitch can't lie I wanna fuck you again

I know I know I know you seeing somebody  
Yeah I got somebody but I can't keep lying to myself  
Daddy I wanna fuck you again  
And again  
And again  
And again  
And again

How we end up naked again  
How the hell we end up naked again  
How how how  
Again again

How how how  
Wait a fucking minute again is that my girl  
Oh hell no! oh shit  
I just got finished giving the hotel manager the room key  
And paid my bill  
I was outside in the car I was in the parking lot  
Telling the woman I was with how happy she made me  
Kissing and hugging  
And all of a sudden another car pulled up in the parking lot  
But I couldn't believe my eyes  
Cause the woman that was sitting in the front seat  
Beside another dude  
Turned out to be my old lady  
Lord I was checking out  
And she was checking in  
Yeah yeah  
Let me tell you people  
I was checking out  
And my old lady was checking in  
I was with my other woman  
And she was with her boy friend  
  
Fuck it!
