All these hating ass niggas on my dick
I slide through the trap like this
And I left out the party with a brand new bitch

The opposite of sober
New bitch, fresh out the box
Still going up, like a good stock
Dope dick thrown back, for the gwap
You know you wanna give me neck, you a bop
Show me you got intellect, give me top
Cause if not, ho I'm shutting down shop

Sick with it, bitch straight about the fucking V
Fuck with them then you know you gotta fuck with me
Cousin Fik, I ain't never been a sucker G
Ain't another nigga ever did time cause of me
Puffing on trees, sipping bubbly
Put her hb if the double tree
Say she wanna poster up all because of me
And in the next morning I'm right back in the streets and I

Shout out to the water, shout out to the bay
