

Decision

Problem

I know I need to put this condom on, on
Cause I ain't fucked you in no hole so long, long
I gotta make good decision, I gotta make good decision
I gotta make good decision, I gotta make good decision
I gotta make good decision shit on or off gotta make a decision
I gotta make a decision, I gotta make a decision
Gotta make a decision, I gotta make a decision
On or off, off or on (Whaaaaat)

Yeah I know that, but I ain't know that
Could may be switch up on me and start to hold that
We know each other soul I ain't gotta hold back
Shit if you still on the pill I gotta tell you the real
You still lettin' nigga [?] it, just like Problem
Don't lie when I was fuckin' if you didn't like condoms
So what the fuck changed? You ain't gotta look strange boo
Still gon' bang it everytime that I bang through
But I got a stap-up like [?]
Brought the bro with me baby make sure my [?] good
Call the homegirl up so he won't be just sittin' here
Wearing up-thight yeah you know I'm bout the get in there

I know I need to put this condom on, on
Cause I ain't fucked you in no hole so long, long
I gotta make good decision, I gotta make good decision
I gotta make good decision, I gotta make good decision
I gotta make good decision shit on or off gotta make a decision
I gotta make a decision, I gotta make a decision
Gotta make a decision, I gotta make a decision
On or off, off or on (Whaaaaat)

This is the main but I don't wanna choose it
Got one in my pocket but I don't wanna use it
Do some quick, real quick before I loose it
Before I flashback to when we were exclusive
And just stick it in and do what I do to it
Music on your phone turn it on I'm mood to it
Give me that bomb, no time I cruze through it
Uh I'll [?] some after that
Like I stick it in, take 3 pumps see what it's bout
Take 3 [?] to pull it out
You [?] me with the rubber like I need to do

Shit that bitch bad, she's a motherfuckin' fool
You's a rapper ain't you nigga? Better blame it on that
Oh you got a condom, you ain't said all that
So don't ask for my advice cause I'm the king of [?]
 Fucked the shit about a bitch [?]
Now she screamin' out Diamond Eastside
Nigga in the show lay liyin'
Baby so bad that you sellin' I'm buyin'
Born by the pussy, mind as well die by it
