

Now guess who's back in the motherfuckin' house  
With a mushroom for your motherfuckin' mouth  
Hoes recognize, niggas do, too  
When these bitches get scandalous and fuck through a crew  
What you gon' do? You really don't know  
So I'd advise you to get more dough  
Pack more shows, create more flows for niggas to take  
The bigger the grass, the bigger the snakes  
The bigger the meals, the bigger the plates  
The bigger the mills, the bigger the stakes  
Oh, wait a minute (What?), huh  
It's David and Jason, reppin' (Compton) 'round the whole fuckin'  
' nation (What?)  
The whole world needs a show of respect, 'cause I am correct  
I don't change no games and y'all get checked  
I'll frame by frame things like I direct  
Don't let me fire this thang thang, the gang's a threat (What?)

I was in Central, West Compton when the police came  
We doin' our thang, not everybody in our hood felt the same  
Neighbors called one-time (Why they call 'em "one-time"?)  
You only got one time  
That's why we came up with suwoop (Woop woop)  
They'll suwoop when the sirens swoop (Su, su, su, su, su)  
They'll suwoop when the dum-dums swoop  
Yeah, exactly, that's what it was, suwoop  
That means somebody told, them niggas comin'

Hey, ho, grab a Rosé from the store  
And some zig-zags 'cause the brodie needs some more  
Trippin' with the quickness, so back on up  
Y'all make me bored with this rap shit, bruh  
Gotta stay on alert 'cause life dangerous, we subtle  
Problem and Quik back together, now you know you in trouble  
'Cause ain't nothin' but a Tree thang, CPT thang  
Quik got me feelin' like Snoop with the leaf chain  
Got me feelin' Prob' with the D chain  
Custom-cut stones, diamonds yellow like pee stains  
Fuckin' with us, you got no chance  
Back to back Benzes, slidin' down Rosecrans
