

# Don't Belong to You

## Problem

Girl you fuckin with a rider let me know  
Hop yo ass up in the car cuz a nigga gotta go  
Chuckin deuces to the haters, I'll be back  
Bitches say I'm fake as fuck, I'll be that  
Cause I ain't falling for that shit you hookers do  
Every movie there's a chick that break up a niggas crew  
Best friends turn to enemieeees  
Don't think that it can't happen to you  
Here's the proof  
While everybody out here sharing the same hoes  
My game to your games  
Fuck us then change clothes  
Bro I ain't trippin that's how the game goes  
You wifin up a flip we laugh the lame chose  
We all been a victim of it one time  
But never beefin over that  
I need it sometime  
That's how I run mine  
Coined up I got dumb dimes  
Hotter than sunshine

You niggas better stop trippin over these  
Tonishas, Tanyas, and Melodys  
Young niggas out here committing felonies  
Over  
Pussy that don't belong to you  
Trying to figure out what you niggas mad for  
Got you out here looking like a asshole  
Put the gun down ain't no need to blast bro, over  
Pussy that don't belong to you  
Pussy that don't belong to you

Life lit so that's why you niggas livid  
Only time the pussys yours is when yo ass is in it  
You thought she liked you I know I get it  
She gone nut and leave you're finished  
Then call up her crew  
Then one of them gone tell her bout a function at Game's house  
And she gone want to go cause she know we bring them thangs out  
Weed, bar, free pills, big champagnes out  
Now don't get all mad  
That pussy ain't yours cause you bought her a bag  
That pussy ain't yours cause you paid all her rent  
They do us like this, because, niggas ain't shit  
Ever since a youngin she seen niggas dog her momma  
Now a savage mode go ahead and blame Rihanna  
But baby, you ain't got money like Rihanna  
You sharing the studio with Keisha and Tiana  
So nigga don't react quick  
Lil mama just trying to keep her snap lit  
And she wanna fuck [?] and she wanna fuck [?]  
Because her favorite song is Backflip  
Holla back, bitch!

You niggas better stop trippin over these  
Tonishas, Tanyas, and Melodys  
Young niggas out here committing felonies
