

Double Dip

Problem

Problem, yeah
Ty Dolla \$ign, what up?
Ay, Diamond

Usually I toot it and boot it
But I had too hit that o-o-one more time
She so bad, it's so good
So I had to come back two-two times
Double dip, I double dip
I double dip, I double dip
Two-two times
Double dip, I double dip
I double dip, I woah, woah

Girl, I can't lie, your shit fire
And I'm that guy, they don't usually say that shit
I'm the type to just fuck, I don't save no bitch
Yeah, I hit them quit it, yeah, same ol' shit
But this time, girl, the whole thing don' switched
The way you text that pic of your backside to me
My reply was like "get that right to me, right now, right now"
Big boy plumbin', come get piped down, yeah, yeah
Let me see how much you can handle, girl
When I grip that waist like a handle, girl
Yeah, I'm known to change hoes like channels, girl
'Cause I be tearin' shit up like Phantoms, girl

Yeah, I know it's just a one night stand though
But your boy tryna double dip mando
So let's go

Usually I toot it and boot it
But I had too hit that o-o-one more time
She so bad, it's so good
So I had to come back two-two times
Double dip, I double dip
I double dip, I double dip
Two-two times
Double dip, I double dip
I double dip, I woah, woah

Your boy still remember the first time I hit it
You was butt naked, I kept on my fitted
You was actin' scared, but you still gave it to me
Kept on stressin' how you wasn't no groupie
Put it on your man, have you climbin' up the walls
You slid me your number, but you said I wouldn't call
I gotta keep it clean? I never planned on it
Your boy first intention was to put my man on it
Then I said "hold it, she can be keeper though"
Cute, thick and she blow like reefer smoke
No laughs, you can keep the joke
The boy fresher than a Easter coat
And that's why they love me
Sometimes I love them back
Come make the pussy rain, thunder cat

Yeah, I knew it's was a one night stand though
But a nigga tryna double dip mando
So let's go

Usually I toot it and boot it
But I had too hit that o-o-one more time
She so bad, it's so good
So I had to come back two-two times
Double dip, I double dip
I double dip, I double dip
Two-two times
Double dip, I double dip
I double dip, I woah, woah

Now go, go, go, go
Let me get it two times in row
Ay, ay, ay, ay
Let me put you on my plate
You look so good
Ain't no question, gotta have seconds
Double your pleasure, double your fun

Uh, lil' mama got me on her light
The way she ride a young rider like a motorbike
Bad bitch, yeah, she the prototype
And her mouth crazy, overbite
And I gotta give it to her
The way she takin' this dick
Make a nigga wanna give it to her

Even though it's just a one night stand though
You know your boy had to double dip mando
So let's go, go

Usually I toot it and boot it
But I had too hit that o-o-one more time
She so bad, it's so good
So I had to come back two-two times
Double dip, I double dip
I double dip, I double dip
Two-two times
Double dip, I double dip
I double dip, I woah, woah
