

EXPRESSO SHOT 2020

Problem

So I'm going to talk about your shit, hold on

Why? We find out who you are once you really get your back up
Knew I was a star way before I got my back up
Why? Hey, nigga, what you sayin'? What you doing with it?
Miss me with that slick shit? Believe me, I'm fluent with it
Everything I motherfucking said, man, I knew I meant it
Check my first hundred by myself, like, ooh, I did it
Ooh, ooh, ooh, ooh, I did it
Hop it in that motherfucker mirror and do I did it

Kissed on her neck [?]
Go to the end, when I move, it's moving with me
Fire in my veins, tryna stay as cool as Nipsey
Stay away from Yeez, once you see, they move me flimsy

Why? We find out who you are once you really get your back up
Knew I was a star way before I got my back up
Why? Hey, nigga, what you sayin'? What you doing with it?
Miss me with that slick shit? Believe me, I'm fluent with it
Everything I motherfucking said, man, I knew I meant it
Check my first hundred by myself, like, ooh, I did it
Ooh, ooh, ooh, ooh, I did it
Hop it in that motherfucker mirror and do I did it

You didn't say that shit
Oh, my God
Holy wavy

At the end of the night, I got the Benz getting tinted out
Piss so heavy, had to sit it down
You would think the condo wasn't sprinting, cause that bitch getting rented out
How the fuck you think she finna sit in the house?
Who ain't even frontin'? She not a citizen, but we gon' work it out
I flew through the light, look in my mirror, had to stop, I thought my rim w
as poking out
And I'm not getting no divorce, the bitch a faucet
Just don't be a wife of mine, it's all skid, it's all stiff
Cause it be like that, cause it be like that
Cause it be like that, cause it be like that
It's exotic in a purse, and I leave it like that
Cause I know she don't be really rolling weed like that
She gon' give me mouth like Dennis Office on Halsted
That's a Wendy, when you hotboxing, you frosted
I dot my I's, get my T's crossed
Fuck a fish, tell the Hellcat crawfish
All that shit, I lit the weed, it got a big announcement
The straight skipping down the street is livin' bitch's blouses
I know if you hopping there, you gon' be the one shouting
Whip is hopping there, or she won't hop and give me mouthing
Hopping there, whip is red, hopping there
Hopping there, what happen when you hopping there?
She's the one, give me head, what happen there?
Hopping there, whip is red, hopping there
On that red like I'm in line, hopping there
I pull off the photo, has AppleCare

Windows foggy, looking like Tupperware
Got my bitch asking when the last time you put Windex on it
Foreign stars, by putting my index on it
I just got the Cooper, dead white, look like he nice on it
Can't wait, extra pieces on it, aerodynamic
Now, there I go slamming brakes, wind, I'm breathing on it
The beef and I ain't talking, brother
I'ma put them peoples on you
Move on your block, double back and have a sequel on you
See you cheating with them pigs, throwing pepperoni pizza on us
Ain't no coming back for that
Worn over pennies, magic hit you with the shack attack
Your BM was a acrobat, flipping with them steppers
She look good, but her pussy jalapeno peppers
Either checkers or respecters
Paid the cost to be the boss, now we the ultimate collectors
It's only God in the squad, nobody else is gonna protect us
I don't do no pocket watching, what you make, it don't affect us
You're not a factor in your section, don't be giving me no lectures
Save all them high powered Toms, if I hit you with that pressure
Just cause you wake up early, don't make you woke, nigga
These hoes washed, bro, that don't make them soaked, nigga
Feel the power when I pull up and ghost, nigga
Fuck God and anybody that's close with him
Why?
