Like the county, all I see is all blues
She love the Crips, but she big SuWoo
I got that dick that make her do what it do
If I was you, I'd probably fuck me too

Fucked baby twice, then I tossed it (let her go)

Damn, Damn, Damn, Damn!
That cutie with the booty tryna do something to me
Tell these rap niggas stop woofin' before I do some
My niggas like Steph with the range, have him hoppin' out the rain
Got a hundred in these drums, they ain't even gotta aim
Just let it go
